THE INTERNATIONAL JOURNAL OF PHARMACEUTICAL SCIENCE AND TECHNOLOGY (IJPST)

Aims and Scope

The International Journal of Pharmaceutical Science and Technology (IJPST), an official publication of the Indian Association of Pharmaceutical Scientists and Technologists, invites papers and expert reviews on innovative research spanning the entire spectrum of pharmaceutical science and technology. It is a peer-reviewed multi-disciplinary pharmaceutical publication designed to publish information on pharmaceutical research to encourage the researchers from academic community, industry as well as research institutions to disseminate their knowledge among themselves for more productive research.

Periodicity

Scheduled to appear Half Yearly.

INSTRUCTIONS TO AUTHORS

Manuscript Submission

All submissions will be prescreened by the editorial team for suitability followed by a full anonymous review by at least two independent referees. Manuscripts should be submitted by email to ijpst@iapst.com in Adobe Acrobat (.PDF) format for review.

Each manuscript must be accompanied by a cover letter signed by the corresponding author on behalf of all the authors. The cover letter should explicitly state that the manuscript has not been previously published in any language anywhere and that it is not under simultaneous consideration by another journal.

After final acceptance for publication, the revised manuscript should be submitted in Microsoft word (.doc) format along with plates and graphics in .jpg or .tiff format.

Manuscripts should be written in clear and concise English. Articles and Reviews that address scope of the journal will be considered for publication. Articles should include title page, abstract, keywords, introduction, material/patients and methods, results & discussion, acknowledgement, references, tables, figures, and legends, enumerated from the title page. While there are no fixed limitations to the length of an article, authors are asked to write their manuscripts in a clear and concise manner and to include only data crucial to arriving at their final conclusions. Manuscripts should be prepared in accordance with the "Uniform Requirements for Manuscripts Submission to Biomedical Journals" proclaimed by the International Committee of Medical Journal Editors (The Complete Document appears in <http://www.icmje.org>).

Reviews are by invitation only. Authors interested in preparing a review article should provide a brief outline to the editor, requesting an invitation to submit a manuscript in one of those categories.

Publication Charges

For publication in IJPST, authors would be charged INR 2500 (USD 200) for first five page article followed by INR 1000 (USD 100) per subsequent four pages.
